

Champagne Tour

To celebrate Valentine's Day

Saturday 16 February 2013

Treat yourself to a relaxing day out in the Champagne Region of France. Our trip begins with a stop in Reims where we will have a few hours to enjoy lunch (not included), shop, take a stroll to the famous Cathedral of Notre Dame in Reims, or tour the beautiful old bishops' palace (now the Palace of Tau archaeological museum), the Basilica and Abby Museum of St. Remi, and the Museum of Surrender .

We will continue our journey with a photo stop at the church where Dom Perignon, the monk credited with inventing this bubbly masterpiece, is buried. Our final destination is Epernay where we will visit the famous Champagne Caves of Mercier. An elevator with a panoramic view will take us down 30 meter below ground to the cellars. We will then tour a portion of the 18 km of caves on a laser guided train. Of course, we will end the tour with a complimentary Champagne tasting.

You will then have free time to enjoy the town on your own!
